

Project: Renovation of the kitchen

KRC – Kangemi Resources Centre

Update 01.06.16

The kitchen before...

- A very tight kitchen (8m²)
- + 2 little rooms
- Just one window
- Not an hygienic place

More than:

- ✓ 120 porridges and
- ✓ 15 lunches are served every day

The kitchen in progress...

- Down 2 walls
- 3 windows instead of one
- New tiles
- New ground
- New paint

The kitchen now

More than 150 porridges and 15 lunches prepared at the same time

→ no loose of time and chacoool

Several persons can work at the same time

Better hygiene due to:

→ a clean floor

→ a good airing (new windows)

→ a good aluminium sink

→ a kitchen board
